

751—8.2(8D) Role of education telecommunications council. The education telecommunications council is responsible for establishing scheduling and site usage policies for educational users of the network, subject to the approval of the commission. The education telecommunications council shall establish conflict resolution policies for educational users, subject to the approval of the commission, to resolve scheduling disputes. In the event that an affected party challenges an education telecommunications council decision or in the event that a scheduling conflict exists between educational users and other authorized users, the commission or the commission's designee shall resolve the dispute or challenge.
